1.	TMS I.D.	TMS-2025-0312
2.	Originator	Agency B
3.	Date	Feb 20 2025 11:45 AM
4.	Theatre	OSINT
5.	Current Priority	Informative
6.	Subject	AI/ML Study Group - Paper Presentation at IEEE Conference
7.	Input	Open source intelligence confirms that members of the AI/ML Study Group presented a research paper titled 'Federated Learning for Privacy-Preserving Document Analysis' at the IEEE International Conference on Machine Learning and Applications held in Chennai on February 17-18, 2025. Kiran Reddy was the lead presenter with co-authors Manpreet Singh, Sneha Krishnamurthy, Lavanya Subramaniam, and Prakash Hegde. The paper was well received and was nominated for the Best Paper Award in the Applications Track. Venkatesh Rao contributed the experimental framework. The research was based on the AI/ML Study Group's weekly sessions that have been running since November 2024. During the conference, Kiran Reddy made connections with researchers from IIT Madras, IISc Bangalore, and DRDO who expressed interest in collaboration. Sneha Krishnamurthy presented a poster on natural language processing for regional Indian languages. The Group plans to submit an extended version of the paper to a journal and continue research in federated learning and edge computing.
8.	Grading	A1
9.	Has Attachment	Yes - Conference proceedings link
10.	Input Closed	Feb 25 2025
