6.	Subject	Tech Innovation Lab - Coding Bootcamp Conducted
7.	Input	It was observed that the Tech Innovation Lab, coordinated by Amit Sharma, conducted a three-day Coding Bootcamp at the Pinnacle Global Solutions campus in Manyata Tech Park, Bengaluru from March 15-17, 2025. Approximately 200 participants attended including employees and external college students. Vikram Patel and Srinivas Reddy served as lead instructors covering Python, machine learning, and cloud computing. Sneha Krishnamurthy and Arjun Nair organized logistics. Social media posts by Tanvi Bhatt and Manpreet Singh indicate the event was well received. Several posts mentioned that this was the first of many planned events. Harpreet Singh posted photos from the event showing collaboration between employees from Engineering and Data & Analytics departments. It was noted that participants from IIT Bangalore and IIIT Hyderabad were also present, suggesting the Lab is building external academic connections.
