6.	Subject	Book Reading Club - Literary Festival 'PageTurner 2025'
7.	Input	Open source intelligence indicates that the Book Reading Club is organizing a literary festival named 'PageTurner 2025' scheduled for September 20-21, 2025 at the Pinnacle Global Solutions campus. Neha Sharma and Meera Patel are the chief organizers. The festival will feature panel discussions, book launches, poetry readings, and a storytelling competition. The author network built through past events including the Dr. Sudha Murty meet (ref: TMS-2025-0189) has enabled them to invite five prominent authors. Srinivas Reddy is coordinating with publishers for a book fair. Sneha Krishnamurthy is managing digital marketing. The Music & Arts Society (coordinated by Divya Nair) is collaborating to provide cultural performances during the festival, creating a cross-group partnership. Anand Gupta is handling sponsorships. The festival is open to the public and has been promoted through Bengaluru's literary community networks. Siddharth Jain is developing an event management app for registrations and scheduling.
