6.	Subject	Community Service Group - Tree Planting Drive in Whitefield
7.	Input	Social media posts indicate that the Community Service Group organized a tree planting drive in the Whitefield area of Bengaluru on April 22, 2025 (Earth Day). The initiative, led by Sunita Gupta and Lakshmi Reddy, saw participation from 65 employee volunteers who planted over 200 saplings. The drive was conducted in collaboration with the Bruhat Bengaluru Mahanagara Palike (BBMP) and covered areas around Whitefield bus station, Hoodi Circle, and the approach road to ITPL. Anand Gupta coordinated with BBMP officials. Harpreet Singh and Ritu Saxena organized transportation for volunteers. Gaurav Thakur posted photos showing the team planting saplings and noted this was a follow-up to the blood donation drive commitment (ref: TMS-2025-0234). Swati Deshpande created artistic signboards for each planting zone. Kavita Joshi registered each sapling with GPS coordinates for future monitoring. The Group plans to adopt these areas for ongoing maintenance. Prakash Hegde mentioned connecting this initiative to a larger environmental awareness program targeting schools in the area.
